FOR IMMEDIATE RELEASE

SR-74 CULVERT AND EMBANKMENT REPAIR NEAR WHITE POST TURN, MOUNTAIN CENTER, TO START AUGUST 6, 2018

SAN BERNARDINO – The California Department of Transportation (Caltrans) will begin to work on repairing a culvert and an embankment on State Route 74 (SR-74) at post mile 54.6 near White Post Turn close to Mountain Center starting on Monday, August 6, 2018. The work is to repair previous storm damage. One-way reversible traffic control within the construction zone will be put in place, initially, Monday through Friday, from 6 a.m. to 6 p.m.

Please note that, at the present time, sections of SR-74, including this work area, are still closed to all except to emergency responders, utility crews and Caltrans Maintenance staff due to the Cranston Fire. The culvert and repair work at post mile 54.6 will be performed during the fire related closures and beyond.

Please reduce your speed in the work zone for your safety and the work crews. Expect delays and plan accordingly. Thank you for your patience.

Know before you go! To stay on top of roadwork in the Inland Empire go to www.caltrans8.info and sign up for commuter alerts. View real time traffic conditions at <http://quickmap.dot.ca.gov>.
